Yuki

Our first stop is South London to visit Yuki! Yuki's set-up is such a combination of spaces. It's a teaching space, a recording space and a practice space. We, therefore, thought it was the ideal start for this journey! Yuki will be giving us a tour of all of the hardware in this lesson, and we'll do our best to make sure every piece of gear is linked to in this write-up! So pop your guitar down, grab a cup of tea, and enjoy this studio tour!
