Tutors' Hardware

UNIT 2 • LESSON 5 << PREVIOUS NEXT >>

Alex

Our final stop in this unit is Brighton, to visit Alex Barron. Alex has worked as a guitar tutor for YGA for many years but has always run his recording studio businesses alongside his teaching. He has finally realised his dream of owning his own, fully functioning, band recording space! It's such an exciting time for Alex, and he invited us to check it out. This is a massive step up from the home studio, but we thought it would be an exciting insight into what it takes to bring a recording setup to the next level!

ALEX BARRON

MINI BIO

Alex is an incredible musician and guitar tutor and also talented and skilled as a producer. He's the guy to take your band songs, ideas and melodies and turn them into pro, high end and complete compositions.
