Diagrams

Octaves

We come back to our first rhythm for the second lick, before shooting off into some cool chromatic octaves. We use two-octave shapes this time, as shown in the fretboard diagrams. Remember to target the final note of each string, and chromatically play through the previous two notes (moving three frets).

Baking Buns

We kick off our George Benson player study with a super cool 80's vibe track! George is famous for bringing his incredible jazz vocabulary to awesome pop records.
