UNIT 1

The Grab

0% ^

In this first unit, Thomas will be introducing you to the idea of "grabbing chords". Everything we've done up to this point has been working with single fingerpicking, which is an essential foundation.

Thomas

This second version uses your thumb for the bass note.

easier

harder

This goes from easy to hard, so see what works best for you. If you use the first version, you can simply exchange the low F note for the one on the D string, as Thomas explains in the video. Once you've decided which fingering to use, you can work through the rest of track, adding the melody as you go!

Try to get everything together using the interactive tab, gradually committing

it all to
memory.
We'll go
over any
final details
in the next
