For our final unit we will really push you, with a classic blues style solo utilising all of the lead theory we have been working with on this course.

Lessons:

- Lick 1
- Lick 2
- Lick 3
- Lick 4
- Congrats!

A Major Pentatonic Box 2

A Minor Pentatonic Box 1

“

There we have it! Try your best to glue the whole track together once you have this lick. There is no rush, and the more time you put into understanding the shapes used in the solo, the more you can get out of it later down the line. Have fun!
