Solo Part 2

Let's now tackle the last set of licks in the solo, before joining the whole thing together! We're learning the licks in the coloured boxes.

“ You can now piece together all the

UNIT 2

Blues Like B.B.

 0% 

In this set of lessons, we will be adding our second pentatonic shape, learning how to use the 'BB Box' and even tackling a BB King inspired blues solo. The solo will really push you to move those fingers a little faster and learn some cool new licks!

sounding
good!

Dan

When you are ready, you have the backing track and full solo in the backing track section to play along to. It is worth trying to play with just the backing track as you will not be 'hiding' behind the recorded guitar part. It will be all up to you to make it sound awesome! Good luck, and we'll see you in the next unit!
