Cool Lick 2

It's always great to learn new licks, and today we will be learning a lick based on pentatonic shapes 4 & 5. In this instance, it's in the key of C minor, but in the next few lessons we will be transposing these licks, so make sure you can spot the shapes. Let's take a look at the tab and the fretboards to help you visualise this lick:

4

We will now be learning a cool spider exercise to help improve your speed and accuracy on the guitar, we will be learning new licks and getting them 'under your fingers' so you can improvise with them whilst understanding how to use them over any track.

Lessons:

- Spider Exercise
- Cool Lick 1
- Cool Lick 2
- Airports Revisited
- Final Recap

C Minor Pentatonic Box 5

You now have two new licks to practice! Make sure they are both learnt and relatively easy to play before moving onto the next lesson.
