The A CAGED Shape

UNIT 4 • **LESSON 1** << PREVIOUS NEXT >>

Lesson notes Diagrams

Chord & Arpeggio

First up, let's learn the chord shape and arpeggio. We have drawn out the basic shapes in the fretboard diagrams, as well as alternate ways for you to play this, to ensure that no matter your preference, you can play this chord. Your first task is to learn these shapes. **Note: Be sure to watch the video to see alternate versions that Dan may play, based around these shapes.**
