Lead Breaks

Another big part of the Zeppelin sound is the lead breaks. This is where Jimmy Page takes centre stage and pulls out some of his favourite licks. We have written 4 Jimmy Page style licks here for you to learn. They are all based in E minor and use the pentatonic positions across the neck. **Lick 1 in shape 1, lick 2 in shape 2 / 1 in the open position, lick 3 in shape 4 and lick 5 in shape 3.** The shapes can be found in the fretboard diagrams.
