Rock Riff Part 2

Let's begin by tackling a rock riff! Rock is all about solid rhythms, big distortion and energy! This riff demonstrates how using your pentatonic notes, the odd powerchord, and some heavy distortion can really bring life to the simplest of ideas. Make sure you can also visualise the pentatonic shapes you are using... in this case, it is mainly the Pentatonic Shape 3, as shown in the fretboard diagrams.

UNIT 1

Mastering The Riff Part 1 0% ^

Being able to play riffs is equally as challenging as soloing as your consistency and rhythm have to be perfect! We will be looking over typical rock and blues riff inspired by Muse and Howlin' Wolf, so have fun!
