## Daft Pop

UNIT 5 • **LESSON 6** << PREVIOUS

### Jamming

For the final lesson, Dion joins Dan back in Studio B to run through the track and even have some fun changing the key using our roman numeral system. We bring the Ionian talk to a close with a few last-minute reminders, before ending the course! Your task before declaring the course complete is to get all 4 of the pieces or solos together and even try to start composing your own Ionian based tracks! Above all, have fun, and keep picking up that guitar every day! 😊🎸

In our final unit, we will once again take our Ionian mode, but this time apply it to a cool, Daft Punk inspired pop track. This is a fantastic opportunity to take our harmonised scale to the next level, by adding in the 7th chord versions across the key.
