## The C CAGED Shape

UNIT 3 • LESSON 3 << PREVIOUS NEXT >>

Lesson notes Diagrams

### Moving Keys

By now you should know the backing track pretty darn well! So, we'll jump straight in.

### C major example...

For your reference, in the fretboard diagrams, we have a C major chord, arpeggio, pentatonic scale box and the diatonic scale box so you've always got somewhere to go from. As you move around the cycle of keys, be sure to move these shapes with you!
