Lesson notes Interactive tab Diagrams

### The Solo Part 2

As we continue to the next few licks of the solo we find ourselves back down in pentatonic box 1, utilising the blues scale shape alongside some really cool, well phrased lead lines. Getting the most out of one shape and idea is the name of the game here! Using the more subtle techniques such as 1/4 bends, slides and vibrato will make this section really sing. Here are the licks we need to learn and the scale shapes you need to visualise as you work through them:

The image displays three lines of guitar tablature for electric blues licks. Each line includes a standard musical staff with a treble clef and a corresponding guitar fretboard diagram below it. The fretboard diagrams show fingerings (numbers 1-5) and techniques like bends (marked with a '1/4' or '1/2' and a curved arrow) and slides (marked with a 'v' and a curved arrow). The licks are labeled 'Lick #4', 'Lick #5', and 'Lick #6' in green, orange, and pink respectively. The background of each lick's section is color-coded to match its label.

These 3 licks work really beautifully together, so as you start to glue them together this may feel like 1 slightly longer lick. However you look at it, make sure that you can play it along to a drum loop or the interactive tab before jumping into the final set of licks!
