### "Slap It!"

For our final section, we will be attempting one of the hardest solos you will ever have to play! This solo includes every single technique and idea that we have looked at on the course, and to play it smoothly will take some time. Your first task is simple, just listen! Try to get this 40-second solo in your head before attempting any of the licks. Once you've done that, get ready to attempt lick 1 & 2!
