Essential Theory Part 2

UNIT 2 • **LESSON 10** << PREVIOUS

Constructing Chords Test!

Time to put your new skills to the test! Dan will be asking you to create a few chords and you need to pause the video and try to create them for yourself before Dan shows you.

Top tips

- 🔥 What chord do we need to work out?
- 🔥 Write out that major scale (for example, if we need E minor chord, we write out the E major scale)
- 🔥 Apply the formula (Major = 1, 3, 5 / Minor = 1, b3, 5 / Diminished = 1, b3, b5)
- 🔥 Voila! We have the chord. Now you need to put those notes anywhere on the guitar to create the shape
