Lick 7-8 Repetitive Licks!

The final two licks are essentially exactly the same, except one is in pentatonic shape 3, the other in shape 1. The trick to getting these licks right is mastering your pull-offs and playing all downstrokes. Be sure to practice this one nice and slow first though!

UNIT 1

Rock & Rock

 0% ^

We kick off our Jimmy Page course with a super quick rock and roll solo that oozes technique and creativity. The licks are quick and there are very few breaks for air, so we will take time to break down each lick and explain what's going on theory wise.
