### Chorus

In the chorus, we are using some quite tricky chords and still moving at the same brisk pace, so it will be a challenge. The good news is that we're still following the universal pattern, which hopefully is starting to feel very comfortable by now. So, here are the chords for the Chorus sections:

**chorus**

| Am | C | Em | D | (x3)

| Am | C | Em | D | D |

Now, here is the entire chord chart for the song, including every different section. Remember that the intro and verses have a different strumming pattern to the chorus.

In this course we'll be learning three more open chords, including the notoriously tricky F major! We'll then explore the difference between swung and straight rhythm patterns and finally tackle a new song with a hint of Van Morrison about it!

Lessons:

-  **New Chords**
-  **Swung Rhythms**
-  **"Can't Hold Me Back"**
-  **Intro and Verse**

### UNIT 4

## intro

| G | Cadd9 | Em7 | D | (x4)

## verse

| G | Cadd9 | Em7 | D | (x4)

## chorus

| Am | C | Em | D | (x3)

| Am | C | Em | D | D |

## verse 2

| G | Cadd9 | Em7 | D | (x4)

## chorus 2

| Am | C | Em | D | (x7)

| Am | C | Em | D | D |

And there you have it! An entire song to learn and play along to. We would highly recommend learning the song up to the point where you can play along before you move onto the next unit. It doesn't have to be perfect, just in time and roughly correct! As always, the more time you put in now, the easier and easier it will get moving forward. Best of luck and see you in the next unit.
