Cool Lick 2

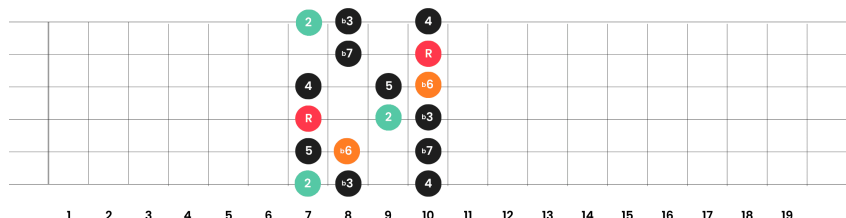

Here is our second lick to help you practise the new scale shapes. Once again, **the lick is in A minor** and uses the same backing track, however, this lick uses a lot more of shape 2 than shape 1. Once again, each of the shapes used is below the tab itself. Try to visualise those shapes as you work through the track!

More Fun Part 1

We will be taking our pentatonic shapes in minor and major and add 2 extra notes to them to create the 'full' major and minor scale. This will give us access to more notes to improvise with and therefore create more ambitious solos and riffs!

“

There we have it! Your first unit introducing the full diatonic scale based around the skeleton of the pentatonic boxes! This will be a huge part of your lead paying, for now and the future, so learn it well!
