### The Solo

For the final solo, we will be using our main Ionian box, which is box 2 of the pentatonic or full scale. If you want to get the exact tone Dion has on the track, you'll need an Octave pedal, plus a lot of Fuzz! However, it's an awesome solo without those things as well... That's just a cool trick to get that very modern sound! Check out the scale shape in the fretboard diagrams and tab in the guitar tab section as you work through the solo!

In our final unit, we will once again take our Ionian mode, but this time apply it to a cool, Daft Punk inspired pop track. This is a fantastic opportunity to take our harmonised scale to the next level, by adding in the 7th chord versions across the key.
