### Section 2

In the second section, we start exactly as we did in section 1, with the E minor and C major arpeggio. We then move to a D7 arpeggio where we previously went to the F# diminished. Following on from that we use a G major arpeggio. **So our chord progression is E minor, C major, D7 and G major.** Use the tab to learn this section and then put the whole thing together up to this point!
