Sus Chords Part 1

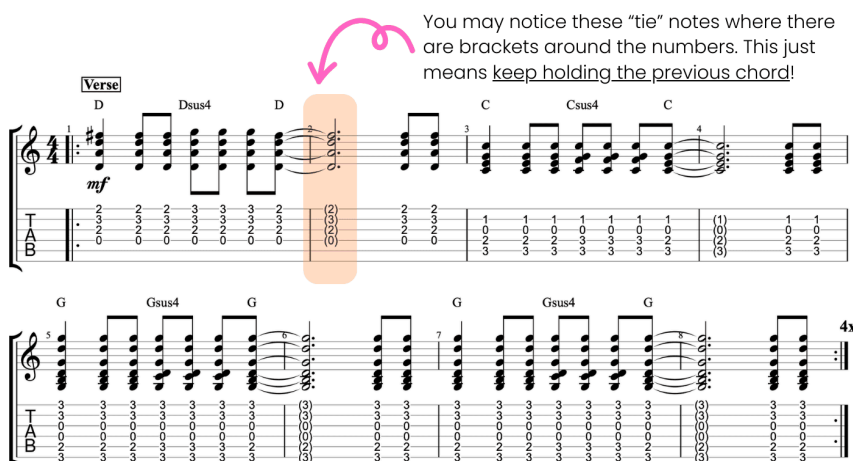

UNIT 1 • **LESSON 5** << PREVIOUS NEXT >>

Lesson notes Interactive tab Diagrams

The Verse

We will look at the verse part in this lesson, and you may notice that you also have an interactive tab to help you work through this. Some people find the tab very helpful when working through strumming songs like, others not all. That's why we're including both here. The tab gives you the exact, strum by strum version, and the chord chart gives you the more bird eye view look. So go with whatever works for you!

You may notice these "tie" notes where there are brackets around the numbers. This just means keep holding the previous chord!

The bird's eye view!

Part 2

So let's take a look at the verse as a chord chart and strumming pattern.

| D Dsus4 D | D | C Csus4 C | C |
| G Gsus4 G | G | G Gsus4 G | G | (x4)

Then the strumming pattern loops every two bars, as shown here:

“

I would recommend getting this whole section together confidently before moving onto anything else. This is by far the hardest section of the song, so take your time with it and we'll

continue
when you're
ready!
