### "Feel Like Baking Buns"

To kick off our George Benson player study we are tackling a tricky pop/jazz solo using a range of awesome techniques and licks that George has at his disposal. As always with our solo studies, your first job is to listen! You may want to run through the video 5 or 6 times until you are able to hum along to the solo, thus ensuring you have the basic rhythms in your head before you start learning it properly.
