Practice With This

To help you put all of these wonderful ideas into practice, we've put together a nice little exercise for you. This uses a range of the chords in this unit, plus a little fill for each, whilst trying to keep it as musical as possible! The chords are:

| G | Em | C | D | (x2)
| F#m | Bm | C | Am | Dsus2 |
| G |

Here is the tab for the two parts that you want to put on loop to practice this exercise!
