### Moving The Pattern

Finding patterns on the fretboard is a huge part of speed playing! This exercise demonstrates exactly this, by locating the wide 6 fret span of the first two strings and duplicating it on the other strings. Not only does this make life easier for our brain, it also gets us across the fretboard in a very nice way. We also have a chance to work on our legato again here. Although short, don't be fooled into thinking this exercise is super easy!

For this exercise, we need a shape that spans most of the neck. Take a look at the fretboard diagram, where we've written out for you.

### BPM Count

For this exercise, we demo it at 60BPM 16th Notes, then scroll down to 60BPM 8th notes. Our focus is to get it sounding perfect, slowly. As you grow in confidence with this exercise you can start to push the speed, but we would always recommend practising this slowly first as a warm-up. Not only does it loosen up your fingers, but by training your
