Rock & Roll

UNIT 1 • **LESSON 3** << PREVIOUS NEXT >>

"Johnny Be Bad"

It's time to play through a full rock & roll track! One of the trickiest parts of playing rock & roll is keeping your energy levels high; your fretting hand will be playing wide stretches for a full four minutes during the track! This is something you may need to build up to if it's too tricky straight away. Please listen and watch the full track, then move on to the next video.
