"Draw The Line"

This song will push your skills to the limit! It consists of the new strumming patterns, new chords, various different parts and even a cool riff. Please sit and enjoy the video all the way through so you're prepared for the next lesson. Try not to get too swept away by those amazing vocals and focus on the guitar part you'll be learning! The more you can hum along to this song by the next lesson, the better, so we'd recommend playing it a good few times before the lesson!

“ In the not too distant future you will be able to play this song all the way through,

“Draw the line” lyrics

Baby, tell me what you want from me
Oh, your silence is impossible to read

So why can't we talk about it?
I can't see inside your precious mind
No, and we can't carry on this way
Don't make me have to draw the line

Don't need to know exactly what you feel, no
As long as you convince me that it's real

Oh, 'cause I've been doing this too long
Can't see the use in going on, no
Give me something to believe in
Tell me what you really want

Just talk to me
You can tell me

Just tell me
Is this real or am I only wasting time
Tell me I don't need to draw the line, no
Tell me, is this real or am I only wasting time
Tell me, I don't need to draw the line

So tell me darling, what's it gonna be
Oh, open up or leave me to be free

Oh Can't we talk about it?
I can't see inside your precious mind
Oh, we can't carry on this way
Don't make me have to draw the line

Just talk to me
You can tell me
Just tell me

Is this real or am I only wasting time?
Tell me
Do I need to draw the line?
Tell me, is this real or am I only wasting time
Tell me, I don't need to try
