## Essentials Part 2

### The Verse

Let's tackle the verse of the song, and the good news is that this is going to be nice and repetitive! We're also only using chords that we already know and have been practicing, so this is a test of how that practice is progressing. Let's take a look at the chord chart that we're working with, starting with the intro:

#### intro

| Em | A | Em | A |

Nice and simple start! Plus, we're only using one strum at the start of each chord, as shown below. This is because we want the intro and verses to be deliberately spacious and open sounding, without too much rhythm to them.

Now that we've covered some basics, it's time to kick things up a notch! In this set of five lessons we'll be learning some trickier chord shapes, the "universal strumming pattern" and finally tackling a full song for the first time!

“ Do your best to get this part together, trying to play along with me in the video lesson, or just with a drum beat. You can even have a go against the track if you feel ready to do so!
