Getting The Tone

UNIT 5 • **LESSON 22** << PREVIOUS

Chris takes you through all the guitars, amps and pedals we used to get an accurate George Benson tone. With George we would say that 99% of the tone is in the fingers and playing skill, especially as he doesn't use a single pedal! Still, we had to find a few workarounds to get the tone right, so check out the video for a full run down!
