Diagrams

Lick 3 & 4

After all the theory-heavy concepts in lick 1 and 2, we switch back to our safe place of the E minor pentatonic box 1 and 5! We return to that E minor chord and we can get some fantastic sounds out of our classic shapes. So, be sure that you can visualise the shapes when you are playing through the second two licks!

UNIT 3

Metal Soloing!

 0% 

It's now time to get to grips with our first metal solo! It has to be said that riffing and rhythm playing is the core part of the metal genre, but there are also plenty of fantastic lead guitar parts to work with.
