Hendrix Style Chords Part 1

UNIT 2 • LESSON 1 << PREVIOUS NEXT >>

What Does Hendrix-Style Mean?

Playing chords "Hendrix-style" requires an understanding of how chords and scales can be merged together! When you are listening to Hendrix play rhythm parts, the sound is always fleshed out with fills and licks. What we will develop during this course is the ability to play licks like this within chords, so that you can add these ideas to your own rhythm playing. Strumming patterns will be a thing of the past once you have this style learnt, so let's get cracking!
