The Chorus

Chorus

Bm D A

Em G F#

We're looping these chords around 4 times for the chorus, which then finishes on an F# major chord for a final bar...

As always, it's also great to see a more high end view of the song, so here are the chord boxes and strumming pattern to ponder over as you work through it:

In this course we continue our barre chord quest and tackle the A minor shape. This shape is based on the A string so it involves re-learning the notes on the A string, more barre chord exercises and finally a cool R&B style song to play!

Lessons:

- The Am Shape
- Notes on the A String
- "Everybody Loves"
- The Verse

Finally, let's check in to see how the chord chart looks for the whole song. It's beautifully simple in fact, and looks like this:

Your task is now simple to understand, difficult to execute! Get this whole song together,
