### Harrison

Our next stop is London Victoria, to visit the amazing Harrison Blackamore! Harrison is one of our elite tutors, and for good reason. Over the past few years, Harrison has built up a phenomenal student base, teaching between 30-40 students a week. His home studio is a completely different set-up from our previous studios! There isn't a computer in sight. It's raw, it's beautiful, and it's a great place to learn and practice. Let's check it out!
