The Chorus

For the chorus, we are deliberately moving from a very sparse, high-end sound, to the more full pop-funk sounding groove. In terms of chords, the chart and chord diagrams for the chorus can be found below.

Gm7 Gm13 | F Bb C |

As you can see from the tab, we've really upped the strumming pattern here, to fill out the chorus much more. We'll break it down into a strumming pattern too.

Town

For our final unit, we will be bringing together every single element that we have learnt so far, plus a whole lot more to piece together the final track! This track is a more modern, Bruno Mars style track that uses a range of funk techniques.
