UNIT 1 • LESSON 4 《 PREVIOUS NEXT 》

Lesson notes Interactive tab

All Together!

In this lesson we will be putting 4 of the chords together, ensuring that we use 6 string, 5 string and 4 string chords all at the same time. The chord progression is as follows:

Em G Am D

A key thing to note here is this is just a very basic practice routine. We don't actually stick to the bars indicated above. We simply play the chord as we've practised it in the previous lessons, then move up to the next chord. Have some fun practising this section, and keep working towards getting it in time with a drum loop.
