Notes on the A String

It is very important to have a good understanding of the notes on the neck in order to really be able to use barre chords effectively. For the Am shape chord, we only need the A string learnt, but we will learn it back to front! You must know it in sharps as well as flats as you will see both in chord charts.

Sharps On A String (memorise notes in green)

A	A#	B	C	C#	D	D#	E	F	F#	G	G#	A
