UNIT 3 • LESSON 2   ≪ PREVIOUS   NEXT ≫

The DAW Part 2

In this video, our aim is to have a bit of fun! Dan is going to record a few different audio tracks, to create a backing track for himself to jam on! The main point in this video is how simple this process is, provided everything is set up well!

> **"My guitars are out, the pedals and amp set up... It's just plug-and-play! Within seconds I'm recording guitar tracks and doing some proper practice!"**
>
> DAN HOLTON

So, follow along with the video until you have at least 4 different guitar tracks that all compliment each other somehow. Something like this:

We should have a pretty firm grasp on the hardware we need for our home setups by this point. The next phase of the course is to drill down on the software.
